

GeoSuffolk Notes #72

Dr R G Dixon Bibliography

1971. The Budleigh Salterton Pebble Bed. *Bull. Ipswich Geol. Group* **7**, 5-10, 17, 18.
1972. A Review of the Chillesford Beds. *Bull. Ipswich Geol. Group* **11**, 2-9.
1973. Notes on the Foraminifera from the Scrobicularia Crag at Chillesford. *Bull Ipswich Geol. Group* **12**, 3-5.
1973. Report of Field Excursion to Ramsholt (The Rocks), April 29th, 1973. *Bull Ipswich Geol. Group* **12**, 9.
1974. Brief Description of Silurian (?) Sediment from a borehole sample at Ipswich Museum. *Bull Ipswich Geol. Group* **13**, 2-3.
1976. The Occurrence of *Scrobicularia plana* in the Red Crag, Lower Pleistocene. *Proceedings of the Geologists' Association* **87**, 409-412.
1977. Studies of the Mollusca of the Red Crag (Pleistocene, East Anglia). Thesis submitted for the degree of Doctor of Philosophy, University of London: (Polytechnic of North London), 345 pp, plus fig.5 and table 7 in sleeve.
1977. The Palaeoecology of the Red Crag (Lower Pleistocene) of East Anglia. In Volume of Abstracts, X Inqua Congress 1977.
1977. A note on the palaeoecology of the Red Crag (Lower Pleistocene). *Quaternary Newsletter* **23**, 1-5.
1977. Neutral Farm, Butley. *Bull Ipswich Geol. Group* **19**, 6-12.
1978. Deposits marginal to the Red Crag Basin. *Bulletin Geological Society of Norfolk* **30**.
1979. Sedimentary facies in the Red Crag (Lower Pleistocene, East Anglia). *Proceedings of the Geologists' Association* **90**, 117-132.
1982. Work on the Craggs up to 1950. Part One: Coralline Crag, Lenham Beds, St. Erth Beds, Coprolite Bed. *Bull Ipswich Geol. Group* **22**, 2-15.
1986. St Mary's Hall Cook Book (Editor).
2000. The Geological Society of Norfolk 50th Anniversary Jubilee Volume (Editor) 99pp.
2000. The Red Crag at Bawdsey Cliffs. Op.cit, 97-99.
2001. A note on the occurrence of *Echinocardium cordatum* from the Red Crag, Pliocene, East Anglia. *Bulletin of the Geological Society of Norfolk* **51**, 105-112.
2001. A short note on the distribution of *Echinocyamus pusillus* in the Red Crag. *Bulletin of the Geological Society of Norfolk* **51**, 113-116.
2002. The Wood Graves. *Geologists' Association Magazine* **1**, **4**, 22-23.
2003. The Deben Estuary. GeoSuffolk Leaflet.
2004. The Crag geology of All Saints Church, Sutton, Suffolk. *Geologists' Association Magazine* **3**, **3**, 22.
2005. Some unusual local building stones. *Transactions of the Suffolk Naturalists' Society* **41**, 14-19.
2005. Field meeting: Coastal Suffolk Crag week-end. *Proceedings of the Geologists' Association* **116**, 149-160.
2005. (with C J K Markham). Dunwich: the Geology of Suffolk's Lost City. GeoSuffolk Leaflet.
2006. Sutton Knoll. *Transactions of the Suffolk Naturalists' Society* **42**, 97-101.
2007. GeoSuffolk field meeting report: The building stones of Bury St Edmunds. *White Admiral* **66**, 27-28.
2007. Field Meeting report: God's Square – a geological walk. *White Admiral* **68**, 20-21.
2007. Autochthonous Mollusc Faunas from the Red Crag, in Dixon, R G (Ed.). Proceedings of GeoSuffolk RIGS Meeting. *Transactions of the Suffolk Naturalists' Society* **43**, 12-16.
2007. GeoSuffolk goes to Church in Coastal Suffolk. GeoSuffolk Leaflet.
2009. The Pliocene Forest. *GA Magazine* **8**, No.3, 22.
2009. The Red Crag of Sutton Knoll. *Trans. Suffolk Nat. Soc.* **45**, 1-9.

2010. Suttona Antiquior. *Suffolk & Norfolk Life*. **No.242**, 66.
2010. A letter to the Editor. *White Admiral* **75**, 31.
2010. The 'Pliocene Forest' Grows. *GA Magazine* **9**, No.3, 21.
2011. Orwell Park Observatory. *Ipswich Society Newsletter* **182**, 19-20.
2011. GA Field Excursion to Copenhagen: October 23rd – 26th, 2010. *GA Magazine* **10**, No.3, 6-7 [with Bob & Caroline Markham]
2011. Field Meeting: A Day on the Bawdsey Peninsula, 22nd May, 2010. *Proc. Geol. Ass.* **122**, 514-523.
2011. Field Excursion Report: A guided walk to examine the geology of Christchurch Park, 21st July, 2011. *Ipswich Society Newsletter* **185**, 14-15.
2011. Bob Markham: The Halstead Medal Award. *White Admiral* **80**, 12-13.
2012. The Suffolk GeoCoast – Bawdsey East Lane to the Manor. *Trans. Suffolk Nat. Soc.* **17**, 98-103.
2012. Evening Lecture: The Star-crossed Stone. *GA Magazine* **11**, No.1, 12.
2012. *A Celebration of Suffolk Geology: GeoSuffolk 10th Anniversary Volume*. [Editor] GeoSuffolk, 483+viii pp.
2012. Brief description of Silurian rock from the Stutton borehole. *Op cit*, 101-103.
2012. GeoSuffolk and building stone trails. *Op cit*, 445-453.
2012. The Pliocene deli – a culinary trawl through the Red Crag. *Op cit*, 457-464.
2012. A Celebration of Suffolk Geology. *GA Magazine* **11**, No.4, 17.
2012. [ditto, adapted] *White Admiral* **82**, 24-25.
2012. The Suffolk GeoCoast – The London Clay of Nacton and Harkstead Shores. *Trans. Suffolk Nat. Soc.* **48**, 153-156.
2013. GA Excursion to Vienna: 27-31 October, 2012. *GA Magazine* **12**, No.2, 25-26.
2013. *GeoSuffolk looks at the London Clay*. GeoSuffolk.
2013. The Suffolk GeoCoast – Dunwich: Suffolk's Lost City, a geo-tour. *Trans. Suffolk Nat. Soc.* **49**, 83-91, pl.13-16.
2013. Greyfriars, Dunwich – Coralline Crag in action. *Trans. Suffolk Nat. Soc.* **49**, 92-94, pl.15.
2013. *GeoSuffolk looks at the London Clay*. GeoSuffolk Leaflet.
2014. Preface. In: Harrison, P. (Ed). *St. Mary's Hall Association Cook Book*, pp7-8.
2014. The Pliocene Forest: 5 years on. *GA Magazine* **13**, No.3, 6-7.
2016. Clunch in West Suffolk. *White Admiral* **93**, 12-15.
- [100]
2016. They drink from the sand, eat from the rocks. *GA Magazine*, **15**, No.1, 10-11.
2016. St. Andrews Revisited. *OA News*. 6-7.
2016. The St Andrew's Song. *OA website*.
2016. Thirty Years of Suffolk Geology: a short history of the Ipswich Geological Group. *Trans. Suffolk Nat. Soc.* **52**, 77-89, pl.5-9.
2017. Field Meeting Report: Glasgow City Centre; Building Stones – a guided walk. *GA Magazine*, **16**, No.1, 15-16.
2019. The Anthropocene Diet. A Gastronomer's Tale. Oxfordfolio. 124 pp.
2021. The Mabel Trail. The diary of a 1909-1910 world tour. Roger Dixon. 289pp.
